From the Administrator's Desk

Welcome to another addition of the Wilson Care Courier! With Spring on it's way, we are welcoming in the nice weather with some exciting changes to the building. Our 2009-2010 continuous building improvement project is in full swing with lots of big renovations. We will

soon be renovating in the dining room with a new kitchen line to make meals easier for our residents and kitchen staff. Not only that, but we are also modernizing our elevators, and renovating the nurses station. Also, residents are especially excited that we are going to order new furniture for their rooms.

What better way to welcome in the Spring then with some new faces! New additions to our team are Lindsey Behr, our Admissions Director, and Liz Webster, our Business Manager.

Thank you once again for your continued support. We hope this newsletter can continue to provide and improve communication to residents, staff and families.

We wish everyone a very happy and healthy spring!

Sincerely,
Augie Beley

Wilson Care Welcomes New Admissions Director

Lindsey Behr, our Admissions Director, is the newest addition to the Wilson Care team. Lindsey joined us from Westridge Rehabilitation Center where she previously worked. However, she hasn't always worked in nursing home care. At one time Lindsey owned her own marketing company and also worked as the event planner for Michael Jordan! She's very close with her family, especially her brother and her amazing boyfriend. We are glad to have her here!

Welcome Lindsey!

Liz Webster - Business Manager

Think her name sounds familiar? You're right! Liz was previously the Activities Director here at Wilson Care and now spends her time as the Business Manager. She takes care of all your financial needs. Congratulations Liz!

Congratulations to: *Employees of the Month!*

★ Congratulations! ★

A Note from our MDS Coordinator:

Care plan meetings are being held on Wednesdays and Thursdays at 1:30pm at Wilson Care. Care plan meetings are devised to sit down the resident and resident's family members with resident's approval for family participation. The IDI, (Interdisciplinary Team Members) are made up of the Care Plan Coordinator, ADON, floor nurse, CNA, PRSC (Psychiatric Rehab Services Coordinator), Dietary Personnel, and Activity Personnel. The care plan meeting is a team approach to review and discuss the resident's diagnosis, medications, and plan of care. It's also a time for the resident to express any concerns, questions, and suggestions to assure that our residents receive the highest quality of care here at Wilson Care. We would like to encourage resident's families to attend our care plan meetings to give an assurance that their loved ones are receiving the best care here at Wilson Care. Please feel free to call the facility to let us know if you would like to attend your family member's next care plan meeting.

Activity Diary

Michelle Kochan, Activity Director

Well, winter has come to a close and we are all getting excited for warmer weather here at Wilson Care. In the meantime, we've been trying to stay warm with lots of activities. In January, we traded the 14 passenger van for a bus, and took a trip out to Dustie's Soul Food Buffet! The residents thought it was delicious and we will definitely be returning in the near future. We also had a wonderful Martin Luther King Jr. birthday celebration with delicious cake and a movie that celebrates the life of this amazing man.

In February, we had some great live entertainment for our party! *Musical Memories* came and sang every type of music you could imagine, from Elvis to the Temptations. I've never seen so many people dancing! We also had a wonderful talent show that showcased the abilities of many of the residents. Our first place winner

was David F. with a piano solo, second place was Maurice P. with a dance, and third place was Douglas H. with a dance also. It was great to see the hidden talents of so many residents! We also had a Black History Month party, and many other Black History Month activities like movies, collage making, and discussions.

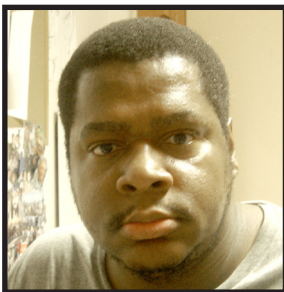

We've got some exciting things planned this Spring including a trip to the movies, bowling, Steppenwolf Theatre, China Buffet, St. Patrick's Day party, and the Jelly Belly Factory! Some new additions have been made to the calendar like Game Show Day, Spades, Pool, Ping Pong, Wii Bowling Tournaments, and a Job Hunting group where residents can learn how to fill out applications and write resumes.

We're already starting to plan activities for April with ways to ring in the Spring!
